One huge THANK YOU goes out to John Widiger and the crew at Youngblood Nissan, Kia, Chrysler, Dodge, Jeep, Ram for hosting our very first mixer of 2018. The food and beverages catered by Touch was like a premium night on the town. If you're a member and have not attended a mixer in a while, make plans to attend our next one on February 1st. Here are the **PICS!**

Thanks to everyone who attended our first Business Luncheon of 2018 at Andy B's. There were some great presentations by our companies in the Business Services & Products category. We will have pics soon. And don't forget our next luncheon will be coming up on Wednesday, February 21st at the University Plaza. More news on that soon!

We rang in the holidays with 24 Karat Gold Magic at the Springfield's Best Christmas Party. Everyone enjoyed outstanding service and delicious food from Highland Springs Country Club and the dueling pianos were a real blast. Here are the **PICS**

We would like to really thank our sponsors of the Christmas Party, without them we could not have had the event. A great big thank you to A-1 Guarantee Roofing our 20 karat primary sponsor! Also kudos to Decorating Den, Neale & Newman, Office Shots, Robinson & Company, RosAmungThorns, Sunbelt Environmental and Twin Oaks Chiropractic & Acupuncture. Your guys are great!!
